Date: 14/12/2021

To,
The Sr. Divisional Electrical Engineer,
Electric Loco Shed,
KAZIPET (SCR, Sec'bad Divison).

Respected sir,

Sub: Permission for One (1) day Industrial visit for B.Tech III Year I Sem, EEE students -Request - Reg.

University College of Engineering and Technology for Women is a self financing premier technical institute established in the year 2013. The institute is a part of Kakatiya University, Warangal. It is approved by the All-India council for technical education, and **"A"** accredited by NAAC. The institute offers B-Tech programs in four branches of engineering viz., EEE, ECE, CSE and IT.

During the last 7 years, our institute crossed several milestones as it was a start up and today, we have special reorganization with good merits under Kakatiya University Warangal is standing along with the Institute's of National repute.

The institute updates the curriculum as per the changing needs of society and ensures effective instructions under Kakatiya University. We believe that preparation of the student for Engineering profession is not complete, without educational visit to industries and a period of training in premier engineering establishments which supports the practical learning compared to regular classroom. In view of this we are organizing educational tours and industrial visit to our students in every year.

In this regard we kindly request you to grant permission for **One day industrial visit in** your organization for **B.Tech III Year I Sem, EEE (66)** students along with **4 faculty** members.

In case you need any further information or clarification in this regard we will glad to do the needful at our end. We look forward to a great association with your organization.

Thanking you and with best regards.

Your's sincerely
